YOURS

Yours to keep
site and domain in your name

01 WHERE WE STARTED

What we built it around.

01 Built around the plum tree.

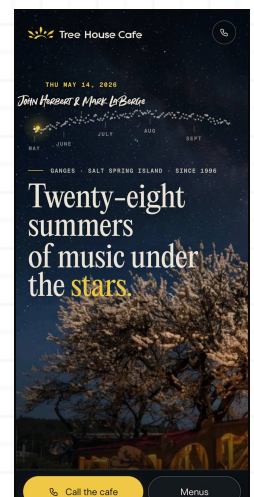

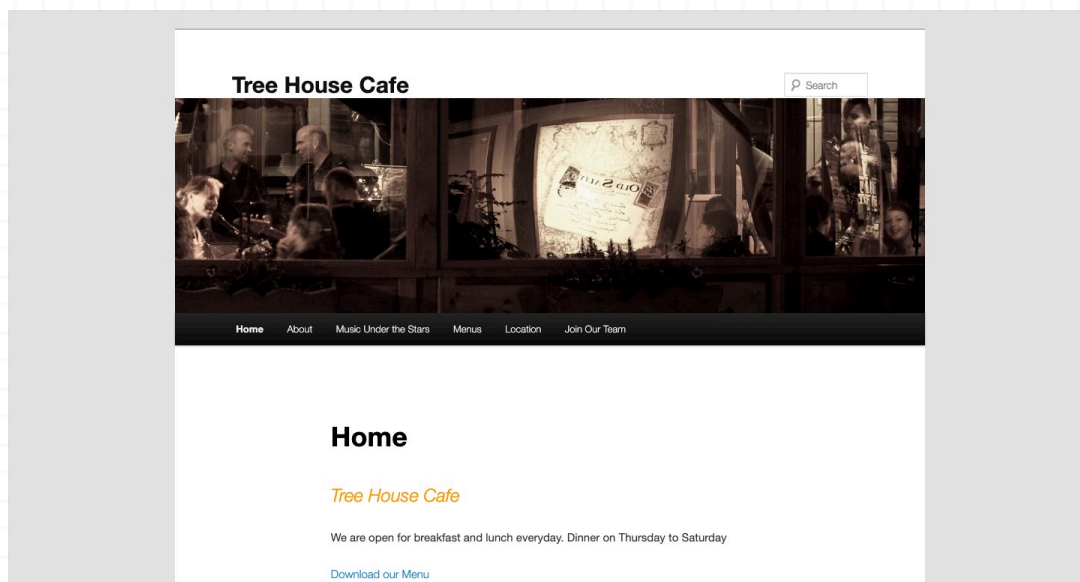

“Come in and relax under the plum tree!” is already your welcome. Every option starts from your own photo of the terrace, with your real tree standing where it does, in the middle, and the carved cottage around it.

02 The music, on the first screen.

Your 2026 Music Under the Stars bill runs on every option: night by night across the sky on option 1, one act at a time in its own box on option 2, along the window’s edge on option 3.

03 Day to dusk, one tap to call.

Option 2 pins the cottage’s own story to the photo, from the island’s first generating station to a music school. Option 3 walks the evening from golden hour to dusk. Every option keeps 250-537-5379 one tap away and shows if you’re open right now.
